

Our Favorite Cuddle® Sewing Tools & Notions

We want to make sewing with Cuddle® fun and we've found the best products for you and your customers. Our educators and sewists have used these tools and notions for hundreds of sewing projects--we recommend you stock and display these near your Cuddle® selection.

- **Clover Wonder Clips and Jumbo Wonder Clips**
holds binding in position and a keeps multiple layers together in addition to pins
- **Clover Heavyweight Flower Head Pins**
sharp and strong pins that hold the fabrics in place and lets the foot slide over the head
- **Clover Medium-weight Flower Head Pins**
sharp pins that are perfect for two layers on minky and let the foot slide over the head
- **Mettler Metrosene 100% Polyester Thread**
polyester thread has the stretch and strength needed for seams and top-stitching
- **Karen Kay Buckley Micro-serrated Scissors**
the tiny serrations grab the Luxe Cuddle® backing to cut easier and more accurately
- **OLFA 45mm Rotary Cutter**
ideal for cutting the Cuddle® 3 solids and prints
- **OLFA SAC-1 Craft knife**
slices the backing easily to reduce cutting microfibers, creating much less mess
- **Felt tip marker**
great for marking measurements and cutting lines on backing
- **ByAnnie Precision Stiletto & Pressing Tool**
use this to hold the fabrics in position while sewing & fluffing the seam edges after
- **SCHMETZ 90/14 Stretch Needles**
prevents skipped stitches & sews strong seams and top-stitching
- **ODIF 505 Spray**
holds together fabric layers for blankets, strip quilts, applique and embroidery
